

Access Sonder via your work email address (wired employees)

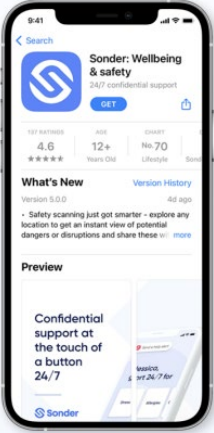

1

Scan to download

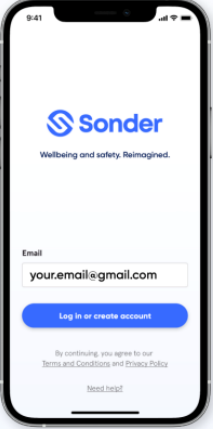

On launch day, scan the QR Code to download the app from the App Store or Google Play

2

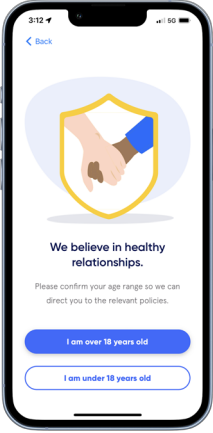

Download the Sonder app

3

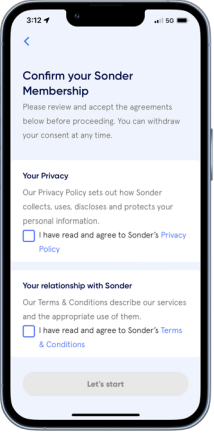

Enter your company email address

4

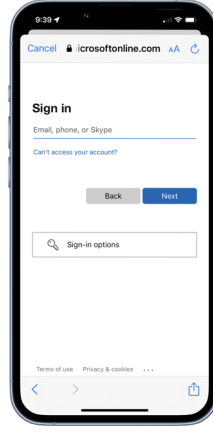

Confirm your age

5

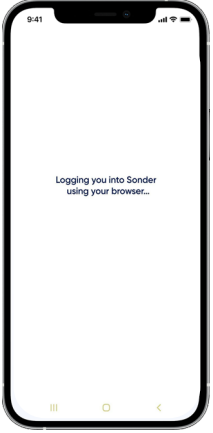

Accept the privacy and terms

6

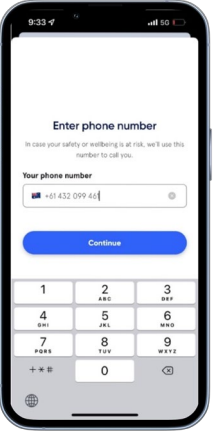

You'll be taken to an SSO login screen. Enter your company login credentials.

7

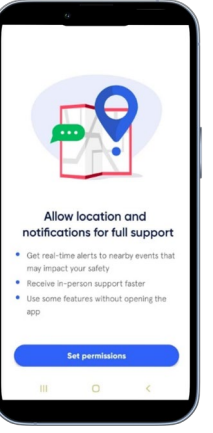

On successful authentication, you'll be redirected back the Sonder app

8

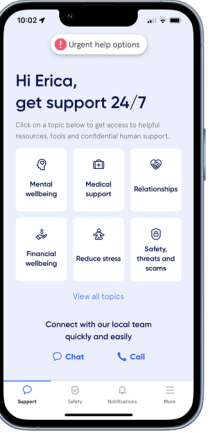

Enter your phone number and verify by entering the confirmation code sent via SMS

9

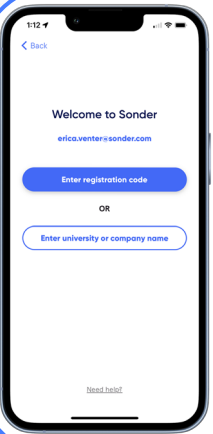

Set permissions for notifications and location settings.

10

You're now ready to access and use the Sonder app

Welcome to Sonder
erica.venters@sonder.com

Enter registration code

OR

Enter university or company name

Need help?

If, after entering your email, you see the registration code, university or company name screen, either:

- *you have not entered the correct email, or*
- *your organisation has not provided Sonder with your company email*

Go back to step 2 and enter your company email, or contact your IT Help Desk

For registration or login support from Sonder email hello@sonder.io
If you are experiencing problems with step 6, the SSO sign in, please seek support from your IT help desk.
